The District expects that all directors, officers, employees, agents, vendors, volunteers or other persons connected to the District will adhere to the strictest standards of honest conduct and will treat District property with the same respect required for all public property. It is the District's express policy that all allegations of workplace or other District-related dishonesty will be promptly and fully investigated and if dishonest conduct is established, to take action as appropriate to discipline the dishonest person or persons and to pursue appropriate civil and criminal legal remedies. To ensure that the District's property is safeguarded against dishonest conduct, the District will establish and maintain appropriate procedures and internal controls to promptly detect workplace or other District-related dishonesty and take appropriate disciplinary action against any individuals so involved.

The General Manager, with appropriate assistance from management staff and District legal counsel, will apply appropriate procedures for investigating all allegations of

dishonest conduct by any director, officer, employee, agent, vendor, volunteer or other party connected to the District. Typically, the Assistant General Manager, Director of Finance or a department head will be assigned to conduct an investigation once the subject matter of the investigation and the nature of the alleged dishonest conduct have been determined. At the General Manager's discretion, investigations of criminal conduct may be referred to the appropriate prosecutorial or law enforcement officials for investigation.

The District will pursue every reasonable effort, including court-ordered restitution, to obtain recovery of any losses suffered by the District that are caused by or connected to dishonest conduct prohibited by this Policy.

The General Manager or his/her designee is directed to establish and maintain a system of internal controls to prevent and detect fraud, misappropriation of District resources and other dishonest conduct affecting the District, and to institute systems that help the District to promptly identify any indications of such misconduct.
