Date: December 8, 2009

Subject: Election of District Officers

Staff Contact: Jan Gentry, Assistant to the General Manager

According to the Rules for Proceedings of the Board of Directors (PL - BOD 002), annually at the first regular meeting in December the Board may select a president and/or vice president to serve for the coming year. Below is an excerpt from PL - BOD 002 that outlines the selection of officers and the duties of the president.

Rule 1 – Selection of Officers

The President and Vice-President of the Board will be elected by the members of the Board for a one year term. The election will be held at the first regular meeting in December of each year or at any earlier special meeting called for the purpose of swearing in new members and organizing the Board. (See Water Code section 30520 and Elections Code section 10554.) The remaining provisions of this paragraph will be considered discretionary guidelines for the Board to follow in selecting its President and Vice-President, and will not be binding on the Board. The Board will normally follow a rotation for the election of President and Vice-President under which the Vice-President will normally be elected President at the conclusion of the President's one year term. If the membership on the Board of the President is terminated before the expiration of his or her one year term of office, the Vice-President will automatically become the President for the balance of that term, and will be eligible for election as President for a full one year term.

The Board will by majority vote appoint a Secretary and Treasurer, who will serve at the pleasure of the Board. (See Water Code sections 30540-30543.)

Rule 2 – Duties of President of Board

The President of the Board of Directors will be its presiding officer. (See Water Code section 30520.) The President's duties will include, but not be limited to, the following: acting as the liaison between the General Manager and the Board, calling special meetings of the Board, presiding over meetings of the Board, establishing and appointing committees of the Board, and appointing

representatives of the District to associations of which the District is a member or in which it has a significant interest. The Board will appoint representatives of the District to joint powers authorities of which the District is a member. In the President's absence, the Vice-President of the Board will perform such duties.

The newly elected Board President is anticipated to consider committee and liaison appointments at the December regular Board meeting.
