

This Service Provides:

- ① An indoor / outdoor water efficiency evaluation, with a potential for reduced water use and water bill.
- ② Discussion on water efficiency practices and an opportunity to have your water conservation questions answered.
- ③ Recommendations for leak repairs to prevent water waste.
- ④ A water conservation kit containing water efficient devices and materials.

Your Efforts to improve water efficiency will:

- ① Provide water for our growing population and economy.
- ② Conserve resources to provide safe drinking water for our children and grandchildren.
- ③ Reduce pollution in our streams by stopping wasteful runoff from our landscapes to storm drains.
- ④ Result in healthier, better-looking landscapes.
- ⑤ Save energy in your home and in our community.

Water-Wise House Calls

By appointment, a Water Conservation Technician will come to your property, evaluate your water use and provide recommendations on using water efficiently indoors and outdoors.

A Water-Wise House Call takes approximately one hour. To qualify, you must live in the Sacramento Suburban Water District (SSWD) service area and receive a utility bill from SSWD.

your Water-Wise House Call today.

Water-Wise House Call Checklist

Indoors

- ✓ Check all appliances and plumbing fixtures for water leaks.
- ✓ Measure the flow rate of faucets and showerheads.

Outdoors

- ✓ Locate meter and irrigation controller if applicable.
- ✓ Perform landscape irrigation survey to determine efficiency of sprinklers.
- ✓ Record water pressure and troubleshoot irrigation system.
- ✓ Check and record root zones and soil types.

Before leaving the property the technician will:

- Explain to homeowner or property manager the findings and recommendations. A report with the findings and recommendations will be mailed shortly after the Water-Wise House Call appointment.
- If applicable, provide training on how to use and reset schedules on the irrigation controller and how to read a water meter.

Sacramento Suburban Water District offers Water-Wise House Calls at no direct cost to you!
